

PFCU Announcement 03/13/2020

At Peninsula Federal Credit Union, we hold the safety of our members, community and staff in the highest regard. In light of growing concerns surrounding the COVID-19 and as suggested by the recommendations of the Michigan Department of Health and Services, we encourage our members to reduce in-branch transactions by using our many available electronic services. To do our part, we are taking on additional safety measures according to the recommendations provided by the CDC.

We are committed to supporting our members needs with minimal interruption of service. This includes having a robust online banking system paired with a mobile app that will allow members to conduct their routine transactions without entering the credit union. If you are not signed up for online banking, remote deposit capture, and our mobile app, we encourage you to do so. In addition, we encourage all members to make sure they have a debit card and know their PIN number to allow access to cash.

Other service capabilities we provide are:

Loan and Visa applications and secure signing via email.

Bill Pay

Phone Services

Night Drop Box

Texting directly to the Credit Union

ATM

Debit Cards

Drive Thru

Audio banking

Text banking

Direct Deposit

Peninsula Federal Credit Union is committed to providing the best service possible, knowing we have a social responsibility to reduce the impact on members, community and staff. If you have any questions or comments please contact us at 906-789-6400.
