# THE SCIENCE OF SAVING™

at

## Peninsula FEDERAL CREDIT UNION

It's all about the youth at Peninsula Federal Credit Union in April! Whether you're opening your first savings account or applying for a student loan, we are here to help. Every child that makes a deposit in April gets rewarded! Youth ages 0-11 get to pick a ceramic robot with a coin deposit on the back, ages 12-18 get to pick an envelope off our science lab with either a Movie Card, McDonalds Gift Card or a cash deposit!

Come celebrate Youth Month at Peninsula Federal Credit Union in Escanaba & Menominee!

Must be a member of Peninsula Federal Credit Union to qualify. One prize per youth member.
