

Peninsula Federal Credit Union cares about the health and well-being of our members, employees and communities. In conjunction with Governor Whitmer's latest executive order to temporarily close public spaces, along with CDC guidelines, we are temporarily suspending lobby access at all of our branch locations. These changes will take affect Thursday, March 19, 2020.

We will continue to offer financial services to fulfill our member's needs:

- Drive-Thru and Night Depository services will remain open with regular business hours
- Mobile, Online & Audio Banking will allow you to view balances, make transfers & payments and deposit checks.
- ATMs make for easy access to your funds 24 hours per day.
- Appointments for loans and customer service are available. If you need to schedule an appointment, please call a branch office.

Our operations, accounting and lending staff will be available via phone, email or text to answer questions.

For almost 80 years, Peninsula Federal Credit Union has been dedicated to our members. Please know these decisions were not made lightly. Our first priority is the safety and protection of our staff, members and our communities.
